SIX TIMES AROUND THE WORLD... AND COUNTING!

Forget *Around the World in 80 Days* — **21,000 of you are already registered for City-Bay**, and together, you're going to cover some serious ground!

When you run, walk or wheel your way through City-Bay, you'll collectively cover **more than 240,000km** — that's the equivalent of **six times around the world!**

But we're not stopping there.

There's still time to join us! Add your kilometres to the journey and help us push even further.

In fact, another **150,000km would take us all the way to the moon.**

After all, we are the Space State.

Haven't registered yet? There's still time to be part of the journey.
