Two Months to Go – Make Every Kilometre Count

With just two months to go until the City-Bay Fun Run, our focus is on fundraising and we're excited to share that together we've already raised **over $100,000** towards our **$500,000 fundraising goal**!

Each year, thousands of participants raise vital funds for charities and causes that are close to their hearts. Whether you're honouring a loved one, supporting a local charity or giving back to your community, every step you take can help make a real difference.

Fundraising is simple to set up, and every donation—big or small—helps create a lasting impact.

Join the hundreds of participants already fundraising and make your City-Bay journey about more than just reaching the finish line.

Start fundraising today and help change lives, one kilometre at a time.

Run for brave kids this City-Bay

Every child deserves to feel brave when facing hospital. This City-Bay, you can help make that possible.

Choose to fundraise for the Women's & Children's Hospital Foundation and help us raise **$40,000** to launch South Australia's first Rocket Ship MRI Simulator. This innovative, child-friendly space transforms what can be a frightening MRI scan into an adventure, helping children feel calmer and more brave, reducing the need for sedation and general anaesthesia.

City-Bay Ambassador and Channel 9 presenter **Alice Monfries** knows how important this is. *"As a mum, seeing your child frightened is one of the hardest things. The MRI Simulator is such a special way to turn those scary moments into ones where kids feel brave and more in control."*

Every kilometre you complete and every dollar you raise will help children face hospital with greater confidence. Choose Women's & Children's Hospital Foundation as your fundraising charity and help give every child every chance.

Fitzy's 5 - Official City-Bay Training Run

Join us for what is sure to be another incredible run at Fitzy's 5 on August 2nd!

Adelaide's premier 5km fun run will take you around the streets of North Adelaide on a fast, flat, picturesque course.

Entries are currently open; this is a great opportunity to get a run in at an official training run before tackling the City-Bay.

Open to runners of all levels, this year's event will have the same Fitzy's atmosphere that runners love, as well as brand-new Fitzy's medals for all finishers.
