20 SEPTEMBER 2026

Who are you running with this year?

Your workplace. Your gym. Your school. Your crew.

Teams train together.
Teams show up together.
Teams cross the line together.

And trust us - the finish line feels different when you do it as a group.

Will your team be the biggest on the start line? Or the fastest across the Bay?

You'll forget your time. You won't forget who you ran it with.

In 2026, we have a new way of registering teams with Race Roster. Please see more information here: Teams and Groups - City-Bay Fun Run

This is your training season. Build your speed, your stamina, your confidence – every kilometre now brings you closer to race day. Your personal best starts today.
