20 SEPTEMBER 2026

Our 2026 City-Bay merch collection has offically landed!

We've teamed up with **Asics** to bring you a fresh collection of City-Bay merchandise, featuring a **brand-new limited-edition 2026 print** across our tees and singlets.

The **limited-edition tees and singlets** feature an exclusive 2026 print inspired by the City-Bay course and the landmarks **that highlight the kilometres along the way**, bringing them together to create a design that captures the journey from **start to finish**.

And there's more to the collection! We also have a range of **jackets, shorts and accessories** to help you get race-day ready — whether you're training for the big day or looking for something to wear long after you cross the finish line.

From the start line to the finish line and everywhere in between, **represent City-Bay 2026 in style.**
