Start your Fundraising Journey

There's plenty of reasons South Australia takes the crown as the Number 1 most liveable city in Australia - and events such as the Lumary City-Bay Fun Run and our rich line-up of festivals are high among them.

Our generosity is another contributor to our proud and wonderful South Australian spirit.

For almost five decades, the City-Bay Fun Run has provided a unique vehicle to help those in need, people less fortunate and raise the profile of scores of organisations.

In fact, more than \$4 million has been raised via the City-Bay to benefit charities.

And now more than ever before, charities need our help - coming out of two years of lockdowns and interruptions that have hit their bottom line and resourcing.

The Lumary City-Bay Fun Run is honoured to give them a helping hand and create a new breed of City-Bay Heroes.

For each charity, the first 10 entrants to raise \$500 on their funding page will have their race registration fee refunded to their bank account. So that can work out to 10 runners per charity running for free - it's an awesome incentive to get creative with fundraising, engage with the community and provide that extra training motivation.

And we already have more than 120 registered charities you can get involved with.

It's an easy few steps to register as a runner and begin your fundraising journey.

Just click [here](#) to find out more.

Remember, **simply be one of the first to fundraise \$500 or more and receive a full entry fee rebate back into your bank account***

And keep on an eye out on our socials for some great fund raising ideas and some awesome initiatives going forward.

And why not tell us about your charity and the causes that are motivating you.

We would like to thank all our volunteers

City-Bay started in 1973 with only a handful of volunteers. As the event has grown, we are into the thousands of volunteers committed to making our iconic event the best it can be.

Get on board with us!

If you are a like-minded volunteer group wanting to support a meaningful cause, get in touch with us at operations@city-bay.org.au. We would love to have you on board with us for the long-awaited Lumary City-Bay 2022 event.
