TONY HEARD: A HALF-CENTURY INSPIRATION OF CITY-BAY

To inspire and motivate you with 10 weeks to go, allow us to introduce Tony Heard. Tony holds the remarkable distinction of being one of only three individuals who have participated in every single City-Bay event since its inception. Now in his 80s, Tony continues to embody the spirit of endurance and determination. Each year, he sets himself a unique challenge: to run a distance exceeding his age. As a testament to his unwavering commitment and dedication, Tony will proudly sport race number 50 this year, celebrating an incredible half-century of running in the City-Bay. Go Tony!
