THANKYOU ADELAIDE □

A total of 23,317 participants hit the streets of Adelaide and made their way to the Bay, creating an unforgettable day of community and achievement.

The day started with a chilly 6 a.m. kick-off for our half marathoners, but as the sun rose, so did the energy, with perfect weather setting the tone for the rest of the event.

The atmosphere along the course was electric, with crowds of enthusiastic supporters cheering everyone on. Special thanks to the local talent and bands that lined Anzac Highway, adding vibrant energy and music to keep spirits high.

A special mention to all of the amazing vendors and organizations who helped transform the village at Wigley Reserve into an unforgettable celebration. The vibes were incredible, with food, entertainment, and activities creating an atmosphere that was buzzing

from start to finish. It was the perfect way to round off a day filled with personal triumphs and community spirit.

THANKYOU!! We couldn't have done it without every single one of you!

SAVE THE DATE!!

We're already gearing up for next year and can't wait to do it all again! Be sure to save the date now—it's going to be another epic event you won't want to miss. Let the countdown begin! □

AND THE WINNERS ARE ☐

A huge congratulations to Isaac Heyne and Lumary City-Bay ambassador Izzi Batt-Doyle for claiming first place in the men's and women's categories of our 12km main event! Isaac finished with an impressive time of 33:40, while Izzi crossed the line in an incredible 37:23. Absolutely phenomenal!

It's even more special to have two of South Australia's own elite athletes take home the winning trophies in celebration of our 50th anniversary. For Izzi, this victory holds particular significance—20 years ago, she ran her first City-Bay with her father. Two decades later, she triumphantly crossed the finish line as the champion in her hometown and also set a course record. What a full-circle moment!

A special shoutout to Isaac for his thrilling finish, narrowly beating competitor Jack Rayner in a heart-pounding sprint to the line. Isaac gave it everything he had in those final moments and secured his well-deserved victory in an unforgettable race. What an outstanding performance!
