## The News City-Bay results

**TEAM PRIZE WAS NEAR!**

Here is the complete finishing order of all runners in the first News City-Bay run held on Sunday.

Nearly 1,600 entries were received for the run.

However, it is obvious from the total time cards collected at the finish that many competitors failed to hand in their time slips.

As this is the only record

of competitors having finished the event, it has not been possible to allocate these people a final placing. The full finishing order is listed below in groupings of 50:

Adelaide's College of Advanced Education won the outright team trophy in The News City-Bay run.

The winning team, which had Commonwealth Games triathlete Gary Zeuner first across the line, had all its members home in 43 min. 50 sec.

The Sydney team entered by Coca-Cola was close on their heels, its last runner completing the course in 44.30.

The Coca-Cola team is the open division winner. Trophy and medalion winners will receive an invitation to be present at the Olympic Sports Field on Saturday November 17 to receive their awards.

The complete list of trophy and medalion winners are:

You may not believe it, but a handful of those first runners are still going strong and competing every year since to this day!

Technology has advanced in many ways. We can now access our results online, our active wear is more breathable and footwear is lighter, the sideburns are (mostly) shorter and we have jogging prams to replace wheelbarrows (see photo above). One thing will never change: our commitment to making South Australia's largest community event accessible to young and old, no matter what level of ability, or choice of costume (Superman, Wonder Woman or Batman)!
