## **Fueling the Finish Line with Fresh Fruit from Foodland**

For over a decade, Foodland has been a valuable supporter of the City-Bay Event, generously providing thousands of pieces of fresh fruit to participants at the finish line

Last year alone, Foodland gave out:

- over 1,118kgs of bananas (which is equal to 25 orangutans)
- 216kgs of oranges
- 180kgs of Adelaide Hills pears
- and over 500kgs of Adelaide Hills apples (which is about the same size as an elephant)

This year, in celebration of the event's 50th anniversary, the Foodland team is gearing up to double their fruit supply for the biggest year yet! Be sure to visit the Foodland tent after you cross the finish line at the Village to enjoy their offerings.
