City-Bay Celebrates 50 Years with a New Landmark Documentary, 'City-Bay: 50 Years and Running, THE FILM'

In anticipation of the City-Bay Fun Run on 15 September, we proudly announce the premiere of ***City-Bay: 50 Years and Running, THE FILM***.

Building on the warmly received and highly engaging documentary screened on the Nine Network Adelaide in July, this feature-length documentary delves into this iconic Adelaide event's rich and colourful history. ***City-Bay: 50 Years and Running, THE FILM*** includes new, never-before-seen interviews, stories, and topics not covered in the TV version. The documentary will be

shown at the nostalgic Wallis Piccadilly Cinema **from 4 to 14 September.**

Award-winning director Johnny Taranto shared that it quickly became apparent during production that the City-Bay story could not be fully captured in just half an hour. "We've created a feature-length documentary to honour the event's unique local history and much-loved status. It's been a joy to bring these untold, unusual, and often funny stories to the screen," he said.

"We hope this film not only entertains but also inspires and brings people together, especially on the second Sunday of September, to run or walk from the city to the bay!"

HELP! We need volunteers!

CAN YOUR ORGANISATION HELP US?

More volunteers are needed as course marshals, venue assistants on race day and at the Hindmarsh Square race bib collection from September 12-14. Duties for these positions are:

- Course marshals in the city and along Anzac Highway - your duties are to ensure vehicles do not

attempt to bypass traffic barriers at your location and enter the road occupied or to be occupied by runners. You will be provided with a City Bay branded Hi-vis vest and may be provided with a Stop/Slow sign.

- Venue assistants will be located at the 12 km race start at Festival Centre, Adelaide, 6 km at Kurralt Park Shopping Centre, 3 km at The Junction, Morphettville or at Glenelg half marathon start and finish location for all events for varying periods between 530 am to 1230 pm.
- Assisting with race bibs at the RAA marquee on Hindmarsh Square from September 12-14.

A donation will be made based on the number of volunteers that your club or organisation is able to provide calculated at \$45 per person or \$80 for a team leader who will also manage the group.

If you are able to assist, please contact John Gibbie at dm@city-bay.org.au or on [0412 252 215](tel:0412252215).

GET IN NOW TO RECEIVE YOUR MERCHANDISE IN TIME FOR RACE DAY!

To ensure your merchandise arrives in time for the big day, we recommend placing your orders now! All orders

will be express posted, but to guarantee timely delivery, it's best to act quickly. Due to its overwhelming popularity, stock is limited, but there's still a chance to grab your race day shirt! Check out our full collection through the link below and secure yours before it's gone!

Please note that if you prefer, you are able to pick up your merchandise orders at the bib collection expo on the 12th-14th September!

TEAM ENZO TAKE ON THE 2024 LUMARY CITY-BAY FUN RUN

Enzo was diagnosed with Progeria, an extremely rare genetic disorder wherein symptoms resembling aspects of aging are manifested at a very early age. The disorder occurs in an estimated 1 per 20 million worldwide, making Enzo very special! Enzo is the third known case in Australia and the only diagnosed child alive in the country today. However, there might be another child suffering of progeria, unaware of the

treatments available to them. That's why Team Enzo is participating in this year's Lumary City-Bay event to raise awareness and funds in support of families and The Progeria Research Foundation, which is dedicated to discovering treatments for Progeria and related aging disorders.

See Enzo below showcasing his 2024 Lumary City-Bay Merch and previous City-Bay medals!
