Important Update: Changes to Event Distance Process

We wanted to let you know about a small but important change to our registration process for the 2025 City-Bay Fun Run. Starting **June 1st, 2025**, a \$10 admin fee will apply for any changes made to your event distance.

In addition to the \$10 admin fee, here is a quick reminder of the process:

- If you are upgrading your distance, you will be required to pay the price difference.
- If you are reducing your distance, no refund will be provided for the difference in cost.
- Transfers to another participant incur no additional cost, as long as there are no changes to the event distance.

During the year, if you have any questions or need assistance with changes and transfers, please don't hesitate to reach out to us at info@city-bay.org.au.

Thank you for your understanding as we implement this small update. Your cooperation helps us ensure everything runs smoothly, and we're excited to see you at the 2025 City-Bay Fun Run!
