HOW TO: TEAM REGISTRATION

1 CREATE AN ACCOUNT

Please create an account at <https://my.city-bay.org.au> and then create a team by clicking on "LARGE TEAM REGISTRATION".

2 CREATE A TEAM

Complete all required fields and choose whether you'd like your team to be public or private. Tick the box to make your team public if you'd like invited individuals to be able to join. Once finished, click "CREATE TEAM" to submit your team application for admin approval.

3 CHOOSE YOUR METHOD

Once your team is approved by our admin staff via email, you'll have two options for adding team members, depending on the payment method:

- Individually-paid: Team members pay for their own participation.
- Company-paid: Your organization covers the cost for team members. This method entitles you to the 10% discount for teams of 10 or more.
 - Please note: other team members that the company is not covering the cost for can still register individually and join your team.

A) Individual Registrations and Payment by Team Members

- Let your team members know that the team has been created and they can now register individually.
- We suggest sending them a short email or message that includes your unique team join link (available by clicking "Invite" in the registration portal).
- When registering via the link, participants will be automatically added to your team. If they don't use the link, they'll need to manually select your team name from the drop-down list during registration.
- Once everyone has joined the team, your role as the team organiser is done!

B) Bulk Registration and Payment by Company

- Use the CSV file provided to save time and streamline the process. If this is your method of choice, you will need to complete the remaining steps in order to finalise your team registration.

Without an appointment, you may experience extended wait times while we gather your team's bibs. Making an appointment ensures that your collection process is smooth, efficient, and ready for you upon arrival. We will remind you in the lead-up to Bib Collection to make an appointment, so you can enjoy a hassle-free experience without delays, ensuring everything is organised and prepared for you in advance.

TEAM VILLAGE SITE

On race day, you have the exciting opportunity to hire a marquee for your team, providing a dedicated space for post-run celebrations and camaraderie at the City-Bay Village. This service is organised by Olympic Party Hire, ensuring that you have everything you need for a memorable gathering. Alternatively, you are welcome to bring your own gazebo and set it up in your designated reserved area.

For those utilising village sites, Vilis will be catering delicious options for site holders, featuring a variety of sandwiches, wraps, baguettes, fruit platters, sweet bakery items, and antipasto selections. Plus, to keep you refreshed and hydrated after completing your race, Mt. Lofty Springs will be providing fresh spring water. If you'd prefer to organise your own post-race feast, many teams also enjoy hosting their own barbecues at their pre-reserved site. You're welcome to fire up the grill and bring your own favorite BBQ classics to enjoy post-race. Please note, the BBQ must be for your own use and not for sale to the public.

If you're interested in securing a village site for your team, you can easily register for one on our website. **Village sites open 1st of July, 2025.** Be quick as there are very limited spaces available! Don't miss out on this fantastic opportunity to celebrate your achievements together in a vibrant atmosphere! To view more information and register for a village site, click [here!](#)

CHARITY INVOLVEMENT

Online fundraising surpassed \$460,000 in 2024 – well done South Australia! How much can we raise in 2025? Many organisations are fundraising to make a difference. Has your team been touched by a recent event, or is there a cause close to your heart? Consider rallying your colleagues to raise funds for charity! For added excitement, why not set up an inter-departmental challenge? You could encourage friendly competition by setting fundraising goals for different departments, teams, or branches, and see who can make the biggest impact.

Running for a cause adds extra meaning to your participation, and we encourage teams to select a charity from our official partners to support through fundraising efforts. Online fundraising is easy and accessible! Set up a page with our partners at Grassrootz, and simply share the link with family, friends, suppliers, or supporters. For more information on Grassrootz and how to get started, visit: [here](#).

Joining in is a feel-good experience that boosts your health, lifts team spirit, and brings a lot of fun along the way!
