## **Who's Ready to Meet the City-Bay Star? ☐**

We asked a while ago for you to send in applications to be the face of City-Bay 2025 as our City-Bay Star – we had so many incredible stories come through and it was so hard to narrow it down to just one, but we're excited to finally introduce you to the new face of the event! We're keeping the details under wraps for now, but we'll be introducing the new face of City-Bay 2025 in a couple of weeks ☐

So, what exactly is a City-Bay Star? This person will be sharing their journey with us leading up to race day, offering training tips, motivation, and exclusive behind-the-scenes action as they prepare for the big event. They'll inspire you every step of the way, helping you get out of bed for those morning training sessions! ☐♂

This person has been a dedicated part of the City-Bay journey for years and has a story that's sure to inspire. Get ready to meet someone who embodies everything we love about this event – passion, determination, and community spirit. ☐
