Every single donation – big or small – made a difference and helped us cross this milestone together. This achievement belongs to ALL of you, and we couldn't be more grateful.

Here's to the power of community, kindness, and giving back. What an amazing result! ☐

But the journey isn't over yet... there's still time to **keep fundraising and make an even bigger impact!** Whether it's reaching out to friends and family, hosting a mini-event, or sharing your fundraising page online, every bit counts!

## A sign-off from our 2025 City-Bay Star Lee Morgan

At the start of the year, we set out to find our **City-Bay Star** - someone whose story would inspire our community and capture the true spirit of the event. That person was **Lee Morgan**, a familiar face on the course who embodies dedication and passion for City-Bay.

This year, Lee achieved something extraordinary: he crossed the finish line for his **50th City-Bay Fun Run**. In his message, he reminds us all that completing the event - no matter the distance or time - is an achievement to be proud of.

Lee will be back on the start line next year and he hopes you'll be there too!
