Race Day Made Easy: Your Start Line Survival Guide!

Race day is almost here, and we want to make sure your journey to the start line is as smooth as your run to the finish! ☐ Whether you're driving in, jumping on public transport, or staying the night nearby, we've pulled together everything you need to know about road closures, parking options, and travel tips.

Road Closures ☐

To ensure the safety of all participants, volunteers, and spectators, a number of road closures and traffic restrictions will be in place across Adelaide on race day. **Please plan ahead and allow extra travel time.**

Please see the link below for a full list of road closures on our website: [2025 Road Closures | City-Bay Fun Run](#).

A visual map of the closures is also provided across this page for easy reference.

A list of **no parking and tow away zones** are also listed on the website.

Other road closures are also in place due to the Transforming Jetty Road Project. For more information, please refer to: [Road Closures | City of Holdfast Bay](#).

Police will maintain road closures until they deem it is no longer safe for participants to remain on the roadway. Any queries contact SA Police Traffic Planning Coordinator [\(08\) 7322 4261](tel:(08)73224261).

We thank you for your cooperation with this large undertaking of closing Anzac Highway for this event.
